

Memo

To: Respondent
From: Economic Development and Skate Creek Consulting
Re: Delaware County Economic Development Agriculture Survey

Thank you for your time and your input. Your feedback will help us to conduct a more complete census and to develop an accurate Growth and Sustainability Plan based on the needs of local agriculture.

We anticipate having the full census complete no later than March 31, 2010, and hope to have the Growth and Sustainability Plan completed early in May 2010. Both documents will be made available to the public electronically via our website, www.DCecodev.com, and will be on hand for review in print at the Delaware County Economic Development office located at One Courthouse Square, Suite 4, Delhi, NY. Additionally, press releases will be issued to all local newspapers announcing the completion of each final report.

Furthermore, based on the number of responses logged electronically, we would like to offer email updates on the progress and availability of the two reports, as well as periodic updates on any funding that may be offered locally as a result of this study. If you would like to be added to this mailing list, please contact Lori Paulson by phoning (607) 746-8595, or emailing lpaulson@dcecodev.com (subject line: Ag email updates).

Again, thank you for your efforts, and if you have any questions or concerns, please feel free to contact either of us at the numbers below.

Sincerely,

Glenn Nealis
Economic Development Director
Delaware County
