SIDNEY, NEW YORK- The Delaware County Industrial Development Agency (IDA), in cooperation with the Village of Sidney, would like to extend a warm welcome to Suzi's bakeshop & Café. Suzi's Bakeshop & Café, a recipient of low-interest business start-up funding from both the IDA and Village of Sidney, recently opened her doors. The loan funds provided have helped to provide the capital necessary for the purchase of various equipment and supplies.

Owned by Sue Decker, Suzi's is located at the corner of Main and Bridge Streets in the Village of Sidney. Sue Decker had owned and successfully operated the Franklin Diner for seven years, and had been asked many times to open another restaurant. Sue said, "The experience I acquired while owning the Franklin Diner game me the confidence to start this business from scratch". The bakeshop and café will feature fresh baked goods along with breakfast and lunch served daily.

Andy Matviak, Village of Sidney Trustee and IDA Board member said, "This loan marks the first new business loan in conjunction with the IDA using the Village of Sidney UDAG funds and hopefully we will do more joint loans in the future". "The Village of Sidney welcomes Suzi's Bakeshop and Café to our business community".

The IDA is a valuable resource for small businesses across Delaware County. Typically, the IDA provides assistance with the development of a viable business plan, guides businesses through any necessary permitting processes, and provides low-interest loans for small and medium sized businesses.
