

Authority Mission Statement and Performance Measures

Date adopted: January 2011

Name of Public Authority

Delaware County Industrial Development Agency

Public Authority's Mission Statement

The Delaware County Industrial Development Agency seeks to improve the quality of life in Delaware County by assisting businesses and industry for the purpose of retaining and expanding existing job opportunities, attracting new jobs, and stimulating the investment of capital in the county.

List of Performance Goals

Working with all economic development partners the IDA will:

- Actively support and further the interests of county-based businesses;
- Meet regularly with county businesses to identify and mitigate obstacles for growth and to exploit opportunities for growth;
- Assist in the planning, funding, and development of sites, buildings, infrastructure, and other programs and activities to facilitate business development and expansion;
- Will plan and implement marketing efforts both inside and outside of Delaware County that target the expansion of existing businesses, the establishment of new business, and the attraction of new companies, people, and investment to the county;
- Will represent the interests of local governments with our federal and state elected officials with respect to economic development; and
- Will maintain relationships with federal, state, and regional elected officials and economic development allies to further Delaware County's economic development program objectives
